### **Consent for Services**

Patients without dental insurance are expected to pay in full at the time services are rendered unless prior arrangements have been made.

Patients with dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. As a courtesy to our in-network patients the office will help prepare insurance forms, submit claims to your insurance company(s), and assist in the adjudication of claims. As a courtesy to our out-of-network patients, the office will help submit any claim or pre-authorization to a patient's dental insurance carrier with reimbursement going directly to the patient or insured and assist if you receive a notice that additional information is required. To help determine your estimated "co-payment" for necessary treatment we may request a pre-determination of benefits. Any estimate "co-payment" that is received as a result of a pre-determination or given verbally by office assignee is not a guarantee of insurance payment; it is subject to plan maximums, usage and limitations. Emergency services do not allow us time to request a pre-determination of benefits and must be paid for at the time services are rendered. Please remember, insurance is considered a method of reimbursing the patient for fees paid to the doctor and is not a substitute for payment. Some companies pay fixed allowances for certain procedures and others pay a percentage of the charge. It is the responsible party/patient's responsibility to pay any deductible, co-insurance or any other balance not paid for by your insurance company. It is the patient or subscriber's responsibility to know the insurance benefits including, but not limited to: yearly maximum, amount used to date, and treatments covered/not covered.

Patients with or without dental insurance as a condition of treatment in this practice, financial arrangements MUST be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and the financial responsibility on the part of each patient must be determined before treatment. In the event payments are not received by the agreed upon date, I understand that a 1.5% finance charge per month (18% APR) may be added to my account. If it becomes necessary to collect any sum of money through a collection agency and/or an attorney, the patient (and/or spouse/guarantor) agrees to pay all costs of collection, including court and attorney's fees.

In consideration for the professional services rendered to me by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or her assignee, at the time said services are rendered. If I do not cancel an appointment with at least 24 hours notice, I will be charged a fee of \$85.00 per scheduled hour.

I grant my permission to the doctor or office assignee, to telephone me at home, cell or at my work to personally discuss matters related to this form and/or my care.

If insured, my signature on this form also serves as a Signature on File for my dental insurance. I understand that by signing below I authorize Brookfield Family Dentistry, LLC to release information to my insurance(s) and act as my agent to obtain payment from my insurance company(s). I authorize payment from my insurance(s) directly to Brookfield Family Dentistry, LLC although I understand that I am fully responsible for my bill.

All patients: I hereby authorize the dentist and clinical staff members to administer such medications and perform such diagnostic, photographic and therapeutic procedures as may be necessary for proper dental care as diagnosed by the dentist. As a condition of treatment in this practice, I understand that an examination by the doctor (subject to an additional charge) must accompany every hygiene appointment. I understand that office utilizes visual surveillance in public areas for the protection and safety of all patients and employees. I have read the above conditions of treatment and payment and agree to their content.
